

*I have spoken
in many Islamic countries,
where it's tough to talk about Jesus. Virtually
every Muslim who has come to follow Christ
has done so, first, because of the love
of Christ expressed through a Christian,
or second, because of a vision, a dream,
or some other supernatural intervention.
Now, no religion has a more intricate doctrine
of angels and visions than Islam, and I think it's
extraordinary that God uses*

*that sensitivity to
the supernatural
world in which he speaks in
visions and dreams and reveals himself.
One of India's greatest converts was a
Sikh, Sundar Singh, who came to know
Christ through an appearance of Christ in his
room in a dream one night. It had a
tremendous impact on his life and he became a
Christian. So there are ways that God can
reveal himself that go far beyond our own
understanding.*
